DAVANGERE TOWN MUNICIPALITY.

Notice is hereby given that sealed tenders will be received in the office of the President, Davangere Municipality up to 1st October 1926, for carrying out the Drainage Scheme at Davangere Town commencing from the year 1926-27, and extending over for five years up to 1930-31.

2. The approximate quantity and description of the work required to be done are given in the sub-joined statement and tenders should be sent in the form of that statement duly noting in the column left blank, the rates at which each item of work will be executed. The tender should be superscribed "Tender for the Drainage Scheme at Davangere" in default of which tenders will be rejected.

3. Earnest money of Rs. 2,000 which should be in cash or currency notes or by means of cheques on the Mysore Bank, Davangere, should accompany the tender, without which, tenders will not be considered.

4. The rates offered should include the cost of materials and the charges for complete construction of the said drains, etc., at Davangere and should hold good throughout the years 1926-27, up to end of 1930-31. No application from the contractor for any sort of concession owing to the rise in prices of materials or any other cause will be considered.

5. The plans and detailed estimates may be seen at the Office of the President, Davangere Municipality, between the hours of 12 NOON and 5 P.M. on all working days.

6. The final acceptance of any tender will rest with the Municipal Council, Davangere, who do not bind themselves to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

7. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract Bond on stamped paper, in default of which, his tender will be considered cancelled and his earnest money will be forfeited.

8. The name of the successful competitor whose tender has been accepted will be posted on the Notice Board in the President's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

9. On acceptance of one of the tenders, the earnest money on rejected tenders will be refunded.

10. Charges on account of implements for setting out, barricading, clearing site, supply of water, etc., that may be found necessary during execution will not be paid for separately but should be borne entirely by the contractor.

11. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Municipality or those fixed by the Municipal Council after working out data, with not more than ten per cent for contractor's profit.

12. In all matters not specially provided for, and in all matters of dispute about rates, quantities, measurements, quality of work, etc., and in all disputes of any kind, the decision of the *Municipal Council, Davangere*, will be final and legally binding.

13. The value of the work to be turned out each calendar month shall not be less than Rs. 1,500. Progress of work will be reckoned from the date of agreement.
